Thanks to parents, carers and staff for your resilience and support in keeping students safe today. Our school is open and site staff are working hard to keep the site safe. All buses have arrived safely. Our plan is to remain open until 3:30pm and keep learning as uninterrupted as possible. **However, all extraordinary events including interviews, Governor meeting, P7 intervention, extracurricular activities and Y9 option pathways evening have been postponed.** Heavy snow has been forecast for 11am so we will continually assess the situation as so far the forecasts have been inaccurate.

We are in constant contact with the bus companies. At present they expect to be able to send the buses at the normal time. If this changes and we need to bring them earlier we will inform parents via text and social media.

Thank you for all you continued support.
