Dear Parent/Carer

## School Uniform Consultation Questionnaire December 2017

School Governors and Senior Leadership of school are in the process of reviewing the school uniform and would like to seek input from all stakeholders particularly pupils and parents/carers. There are some concerns that our current school uniform is no longer fit for purpose, one of the key issues is the length at which girls are wearing their skirts and their personal dignity. Concerns have been raised by a number of stakeholders.

Our main principles are that school uniform should be smart, affordable and comfortable. You may have noticed that many institutions have changed their uniform over the years – e.g. Paramedics, Police officers to make it more practical. We are currently reviewing our approach.

To enable parent and carer input school have created an online consultation questionnaire on Survey Monkey. We would be grateful if you could take time to complete the consultation questionnaire before the closing date of Wednesday 10 January 2018. Please copy and paste the following link into your online browser to access the questionnaire:

Thank you for your continued help and support.

Kind regards
