Dear Parent/Carer

Curriculum Review

You will probably be aware of the recent changes to the school curriculum. Most of these are in response to changes directed by central government. These changes have been referred to at our recent 'Getting the Most out of...' evenings for each year group.

As a response to these changes we have decided to undertake a review of the current curriculum which we offer. As part of that review we would greatly appreciate parental input.

This letter is therefore, to invite you to a short parental consultation meeting focusing on our school's curriculum. The meeting will be at 6pm on Thursday 30 November 2017 and should last no longer than 1 hour. It will outline the current curriculum offer and constraints governing it. We will seek your views as to how it could be improved upon and to look at possible alternatives, so as to even better meet your child's needs. As part of the discussion we will also look at the start and finish times and length of the school day.

If you wish to attend the consultation meeting, I should be grateful if you would fill in the attached reply slip and have your child return it to me in school. I look forward to seeing you on the 30th. The meeting is for parents, pupils will be consulted via the school council.

If you would like to be involved but are not able to attend the meeting could you please complete the online survey at <https://www.surveymonkey.co.uk/r/FHKV3WD>. Thank you for your help.

Yours faithfully

M Graham
