Re: Succeeding in Exams

Dear Parent/Carer,

Your child has recently taken their mocks exams. As part of the preparation they were given an exam information and revision booklet which hopefully gave some advice on revision techniques. After the half term break some subjects will be asking pupils to complete a second mock exam.

All pupils are expected to prepare appropriately for exams using the exam information and revision booklets, and also by following the advice given by subject teachers.

As part of the pupil progress meetings and after Parents Evening, many Year 11 students have asked the school to help them to prepare better for exams and also to assist with revision techniques.

We have therefore organised an external speaker to come in to school to deliver a presentation on revision techniques based on brain friendly principles and small group activities for parents and students to explore causes and remedies of exam stress.

Date: Wednesday 15th February
Time: 6.30pm-8.30pm
Venue: St Joseph's School Hall
Cost: FREE!

The evening has been planned so that pupils and parents can try out different techniques and adapt appropriately for the summer 2016 GCSE exams.

The evening will be based on a first come, first served basis. There are only 100 student places available who can bring with them one parent only. If the demand exceeds supply, we will organise another date as soon as possible. This will enable all pupils to have the chance to benefit from this session.

If you have any questions, queries or concerns, please do not hesitate to contact me.

Best Wishes,

Miss S M Walsh
Year 11 Manager of Learning
