Dear Parents and Carers

7 September 2018

I hope your child has started to settle in to our new school year here at St Joseph's. I am now pleased to be able to share with you our 'Bucket List' activities for this half term. From Monday next week (10th September 2018) your child can find out more about activities they are interested in by speaking to the appropriate teacher from the table below. If they wish to, they can then sign up for the activity with the teacher.

All after school activities will finish at 3.30pm unless you are specifically told otherwise by the member of staff– say for a football match. Please ensure you have made arrangements for your child to get home safely.

There are currently 48 activities available this half term but new ones will be on offer in the November half term. We aim to update the activity list each half term. Don't forget these activities are all in addition to the wonderful range of experiences which your child will receive each day during their lessons here at St Joseph's. Please share the list below with your child and ask them to see the named member of staff.
