November 2018

Dear Parent/Carer

This letter is to update you on our 'Bucket List' activities for this half term. Please encourage your child to speak to the appropriate teacher to find out about the activities they are interested in and then sign up for the activity with the teacher.

Once again all after school activities will finish at 3.30pm unless you are specifically told otherwise by the member of staff– say for a football match. Please ensure you have made arrangements for your child to get home safely.

There are currently 57 activities available this half term. We aim to update the activity list each half term. Do not forget these activities are all in addition to the wonderful range of experiences which your child will receive each day during their lessons here at St Joseph's. Please share the list below with your child and ask them to see the named member of staff.
