Dear Parents/Carers

Homework Timetable

You will be aware that this year we have tried a different approach to homework with all teachers uploading the work onto ePraise (<https://app.epraise.co.uk>). Pupils log on to see the homework set and parents are able to monitor it through their own log in, details of which have been emailed out. If you are unsure as to how to access ePraise, please contact Mr Higham. However, a number of parents have also requested a method of knowing which homework should be expected on which night. As such, we have produced a homework timetable for your child's year group, and a copy is attached with this letter. The timetable is also on the school website.

A variety of tasks and activities are set as homework, including but not exclusive to: reading, written tasks, research, collection of materials for use in lessons, watching/listening to news/educational/topical programmes, discussion. Where practical, no more than three pieces of homework are set daily. In Years 7 and 8 each piece should take approximately 20 minutes, in Year 9 approximately 30 minutes and in Years 10 and 11 approximately 40 minutes. For more detailed advice on homework, I would draw your attention to our Homework Policy, which is on the school website.

Please check your child's progress on ePraise at least once a week. If your child has no homework and the timetable indicates they should, please contact the Head of Year.

Yours sincerely

M Graham
