16 March 2018

Dear Madam/Sir,

On the 10th May 2018 it will be 10 years since we lost our son Jimmy in an unprovoked attack; he was just sixteen years and one day old. Please remember Jimmy and the work of For Jimmy in your prayers on 10th May.

Since Jimmy's death our family have worked tirelessly to spread the message of forgiveness, peace and hope across the country. Much of the work we do is with young people in schools. Ten years on and our passion for what we are doing is greater than ever.

Will you help to mark this significant year and ensure For Jimmy is able to continue to inspire and equip young people to build safer and more peaceful communities? We need to raise vital funds to continue to ensure Jimmy's legacy of forgiveness, peace and hope is realised and that all young people can grow up feeling safe.

'This year we will be holding/taking part in ten charity events to mark Jimmy's 10 year anniversary and show our continued support of 'For Jimmy'. Jimmy was a special part of our school community and ten years on he continues to be an inspiration to our students. We hope our efforts this year will contribute to the legacy of hope and peace 'For Jimmy' work so tirelessly to achieve.'

Mrs Claire Bryson, Vice Principal, St Thomas More Catholic Comprehensive School, Eltham

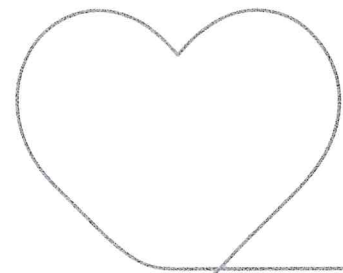

In the coming Term please would you consider having a fundraising day for us? Many schools have held a non school uniform day as an easy and fun way to raise money to help us to continue to build safer communities. Alternatively, we have put a wealth of fundraising ideas on our website to inspire you.

Any support you can give will make a huge difference to empower our children and young people to build safer and connected communities.

God bless and many thanks

Margaret X Barry
