12 February 2018

Dear Parents/Carers

A huge thanks to parents and carers who made special arrangements to enable their child to arrive to school safely, given the weather conditions today. If you are dropping your child off at the start of the day, please be extra cautious of students crossing the top of the drive. Please do not park/stop across the entrance to the drive to let your child out of your vehicle. Parents/carers are also asked to please pull into the driveway very slowly. This is especially important in icy conditions, as the driveway has a steep gradient. Pedestrians should use the footpath by the drive exit and walk by the railings to the pedestrian entrance to school. Again, please be cautious of students coming into school when leaving the drive.

At the end of the day, please do not use the bus lane at all between 3:30pm and 4.00pm to avoid congesting the bus lane. This causes the busses to queue on Chorley New Road.

Many thanks for all your support in helping us keep our young people safe.

Yours sincerely

Angela Moore
