20 July 2016

Dear Parent/Carer

## **Re: School Meals September 2016**

For some time now the governors and school leadership have been monitoring the quality of school meal provision at St Joseph's. As a result it has been decided that now is the right time for the school to outsource the provision of school meals. We hope by doing this we are able to provide a service that is tailored to meet the needs of our community. The ultimate aim is to provide quality, value for money meals which meet nutritional standards.

Governors along with a number of students and senior school leaders were involved in the selection and interview process. The contract has been awarded to Mellors Catering Service who will take up contract from 1<sup>st</sup> September 2016.

School and Mellors are committed to further developing the catering offer here at St Joseph's. Future developments over the next academic year will include on-line payments, pre-order system and an additional catering service point in the form of an external catering pod that will be situated in the school grounds.

Payment methods for the time being will remain as they are now cash and cheques only, **however, as from September 2016 cheques should be made payable to 'Mellors Catering Services' and not BMBC.**

Menus will continue to run on a three week cycle and will still include meat free Fridays. Attached to this letter is a welcome newsletter from Mellors, along with menus and price list.

The service will be monitored closely during the coming months, pupil and parental feedback is always welcome. If you would like to offer any comments please send a letter into school marked for my attention or email the school on [office@st-josephs.bolton.sch.uk](mailto:office@st-josephs.bolton.sch.uk)

Yours sincerely

Angela Moore  
School Business Manager
