June 2015

Dear Parents and Carers,

## **St Joseph's Ofsted Inspection Report**

It is with great pleasure that I enclose for you a copy of the school's recent Inspection Report following our inspection by Ofsted on the 2<sup>nd</sup> and 3<sup>rd</sup> June.

The St Joseph's community can be proud of the many positive comments contained within the report and rightly celebrate the fact that under the new rigorous inspection framework, Ofsted have recognised the tremendous hard work and dedication of staff, students and governors as we continue our journey to become outstanding in all that we do together.

Ofsted have confirmed that St Joseph's is a *good and improving school*, that pupils are *the key strength of this increasingly vibrant learning community* and that *the behaviour of students is outstanding*.

There is so much to celebrate within the report, but I would like to take this opportunity to share with you the following extracts:

*Students' behaviour in lessons is exemplary*

*Teaching and learning are consistently good*

*Students are very engaged*

*Religious Education provision is a strength of the school*

*The integration of Gospel Values across all subjects is impressive and greatly contributes to the personal and social developments of the students*

*Very good relationships between teachers and students ensure positive learning environments*

*The school is very well led*

The governors and the staff would like to recognise the wonderful attitude of the pupils here at St Joseph's by treating each year group to a free afternoon of bowling during the week of the 6<sup>th</sup> July - further details will soon be given in a letter from your child's Manager of Learning.

As always I would like to thank you for your continued support and would like to invite you to a Parents' Seminar on Wednesday 1<sup>st</sup> July 6.30pm to discuss any aspects of our recent Diocesan Section 48 and Ofsted inspections together and begin discussions on how we can all continue to support St Joseph's as we journey towards outstanding in the future.

If you are able to attend the seminar on the 1<sup>st</sup> July I would be grateful if you could confirm your attendance by contacting school reception.

Yours sincerely

**Richard Woods**

Headteacher
