This is an exceptional opportunity as we look for someone to join us at this incredibly exciting time in the school's history. The governors of this highly successful and oversubscribed 11-16 Voluntary Aided RC High School are seeking to appoint two Teaching Assistants.

We are looking for a dynamic, creative individual with ambition and drive, who is passionate about improving the lives of young people.

As a Catholic Christian community, we offer a fantastic opportunity for the right candidate to engage with wonderful students who have high expectations for themselves and espouse a culture of hard work coupled with a zest for learning (Ofsted 2015).

The successful candidate will:

- Have the resilience to work as a team to mend broken lives, fan the flames of enthusiasm and further inspire those who are already excited about a bright future
- The drive to prepare young people to be 'game changers' in the world.
- Be willing to actively support the Catholic Christian ethos of our school

Do you have what it takes to realise our dream? Be part of our life transforming team!

**The school is committed to safeguarding and promoting the welfare of young people and expects all staff and volunteers to share this commitment. The post is subject to an enhanced disclosure from the Disclosure and Barring Service.**
